

Legal Services Community Principles and Guidelines for Due Process and Ethics in the Age of AI

Published in 2018, *Legal Services Community Principles and Guidelines for Due Process and Ethics in the Age of AI* is the work of an initiative led by Angela Tripp, Abhijeet Chavin, and Johnathan Pyle. The brief summarizes a collection of principles and guidelines being developed by the legal services community through a series of community discussions. The brief outlines 4 principles and includes illustrative case studies. The principles and guidelines described in the report are designed to be adopted or adapted by legal services organizations and businesses.
