

# Survey: The State of State Courts: NCSC Public Opinion Surveys (NCSC 2014-2020)

Since 2014, the National Center for State Courts has commissioned the [State of the State Courts in a \(Post\) Pandemic World survey](#) to assess public trust and confidence in the courts. The 2020 survey focused on the willingness of registered voters to appear for jury service during the COVID-19 pandemic. The poll of 1,000 registered voters was conducted using a mixture of telephone interviews and online surveys. Respondents were contacted conducted between June 8-11, 2020. Findings are considered accurate within +/- 3 percent, 19 times out of 20. The survey in 2020 was developed by GBAO, with input from an advisory body of judges, court professionals and NCSC staff.

Attached are survey analysis summaries for the recent and previous surveys linked below.
