

## **Resource: SRLN Justice Tech Working Group Write-ups (SRLN 2021)**

This page provides a list of documents created in collaboration with working group members and network colleagues to explore important justice tech issues. If you would like to make suggestions please leave a comment or suggestion in the doc and the SRLN Working Group Facilitator will review periodically. Please share this page with colleagues you think would be interested. Email [eduardo@srln.org](mailto:eduardo@srln.org) to learn more about the working group.
