Mary walked us through several new resources on our navigator page on the SRLN website, atjlibrary.org/Navigators. These resources include: a listing of several court navigator programs that are using remote/virtual services in their efforts, atjlibrary.org/Navigators/RemoteServices, as well as an important new CCJ/COSCA resolution in which the Chiefs and State Court Administrators urge the adoption and expansion of court navigator programs and also call for more self help services, atjlibrary.org/node/1520.
