

Resource: SRLN Navigator Working Group Webinar (March 2021)

In our March 2021 webinar, [Sam Scarrow](#), Media Relations Manager at [Voices for Civil Justice](#), presented on Fundamentals of Advocacy Communications, including objective setting, audience mapping, message development, and tactics including the news media. This kind of training should help any who are interested in pushing forward court navigator programs with others (to the court, the broader public, and more), or any other types of access to justice concerns.
