

Article: Using Technology to Enhance Access to Justice (Cabral, Chavan, Clarke, Greacen, Hough, Rexer, Ribadeneyra, Zorza 2012)

This is a collection of seven articles published in the Fall 2012 issue of the [Harvard Journal of Law and Technology](#) (JOLT) as part of [LSC's June 2012 technology summit](#). These articles focus on how to best utilize particular technologies to enhance access to justice in the American legal system. They are presented as a single integrated piece but cover a wide-range of technology and can be found at: [topics](#).
