

# **Report: Nonlawyer Navigators in State Courts: Part II - An Update: New Energy, Urgency and Possibilities (McClymont 2023)**

In 2023, Mary McClymont published *Report: Nonlawyer Navigators in State Courts: Part II - An Update: New Energy, Urgency and Possibilities* as a follow-on to her original research of how Navigators provide help in the state courts. She discovered tremendous growth and momentum. This report details those findings, and offers important information about funding strategies.
