

# **Webinar: Access to Justice Webinars (SRLN/SCCLL 2015)**

In February-March 2015, SRLN and the State County Courts Special Interest Section of the American Association of Law Libraries collaborated on a series of two webinars on Access to Justice. The first webinar describes areas for strategic partnering such as training, core collections, centralized websites and technology. The second webinar is specifically for court, county and government law librarians who want to learn basic service benchmarks as well as touch stones for evolving services. The webinars can be viewed and materials downloaded at the following links:
