

Best Practices: Best Practices in E-Filing (LSC & SRLN 2013)

This document, the preparation of which was funded by the Legal Services Corporation through a grant to Central Minnesota Legal Services, was developed in close collaboration with SRLN. It explores a variety of principles and practices in areas from fee waiver to training, and from front end design to management.

Recommended Citation: Richard Zorza, *Principles and Best Practices For Access-Friendly Court Electronic Filing*, SRLN & LSC (Jan. 2013).
