

# **Article: Focus Group: Connecting Writers of Legal Documents with Their Audience (Mindlin & McCormick 2012)**

This article is about focus groups which are a qualitative research tool that tell you if the main message and purpose of your form are understood. It also tackles who uses focus groups, data analysis, number and location of focus groups to be conducted, participant recruitment, applicability of results, and when to use focus groups. It is available at <http://www.transcend.net/library/html/focusGroups.html>.

Recommendation Citation: Maria Mindlin & Katherine McCormick, *Connecting Writers of Legal Documents with*

*their Audience*, Transcend Focus Group Article (Jun. 2012),
