

Weblinks: ABA Standing Committee on the Delivery of Legal Services (ABA 2015)

The ABA Standing Committee on the Delivery of Legal Services has the mandate to improve access to lawyers and legal services for those of modern income - those who do not qualify for legal aid yet lack the resources for full representation. The committee maintains a robust webpage that contains information on the changing practice of law, access to justice initiatives in bar associations around the country, and comprehensive information on unbundling and the incubator movement. The page can be accessed at
