

Conference: CourtHack (Salt Lake City 2016)

Event Details

March 4 - 5, 2016 | 8am-5pm EST

The brightest legal minds, technologists, entrepreneurs, and others driven by a need to improve the courts for their fellow Americans will form teams and compete in this epic, 30-hour hackathon. Technical, business and legal mentors from partners and sponsors are matched with teams they can actively support before, during, and after the event. You can find information on [CourtHack Salt Lake City 2016 event page](#).

For more information, visit the [CourtHack webpage](#).
