

Project: Justice for All (NCSC & SRLN 2020)

Justice for All

[*Justice for All \(JFA\)*](#) is an initiative that supports efforts by the states to include all relevant stakeholders in the civil justice community in a partnership to better understand, adopt, and move toward implementation of the **Conference of Chief Justices (CCJ) and Conference of State Court Administrators (COSCA)** resolution on [*Meaningful Access to Justice for All*](#). The project seeks to enhance states' commitment to reimagining how to work across organizational boundaries and optimize all available resources to advance access to justice for all. The project is Chaired by the Honorable Ralph Gants, Chief Justice of the Supreme Judicial Court Massachusetts and the Honorable Laurie Zelon, Associate Justice of the California Court of Appeal, supported by the [Public Welfare Foundation](#), The [Kresge Foundation](#), The [Open Society Foundation](#) and the [JPB Foundation](#) and staffed

by [National Center for State Courts](#) and [SRLN](#).

Please see the [JFA Initiative page](#) for the Guidance Materials and other associated resources and information.
